

FORESTER I

Deltic Timber Corporation is seeking an **entry level Forester**. The position requires a Bachelor's Degree in Forestry with 0-2 years experience. Deltic is interested in candidates who are motivated self-starters who want to make immediate contributions in the Magnolia District, Southwest Arkansas area. Job requirements include: cruise & evaluate timberland; monitor newly planted trees for quality control; check Summer and Fall plantations; ready sites for replanting by burning; prepare logging jobs by identifying SMZ's; collect experimental plot data on specific tracts which directly affect the health & growth rates of our forests.

Deltic Timber offers a competitive pay & benefits package including:

401(k) w/Company Match of up to 5%

Automatic retirement 401(k) paid 100% by Deltic

Paid Vacation & Holidays

Medical / Dental / Vision Plan

Company Paid Life Insurance

Please submit your resume, salary expectation & college transcript by mail, fax or e-mail to:
