

POSITION: Forest Planning Analyst

LOCATION: Albany, GA

RESPONSIBILITIES: Primary responsibilities will focus on growth and yield to support cash flow analysis, harvest scheduling, and maintaining client forestland databases.

REQUIREMENTS: Candidate will have a minimum of 5 years experience with a graduate degree in forestry or finance. Applicants should have experience with growth and yield software, relational databases, cash flow analysis, timberland valuation, and economic analysis. Strong technical and quantitative skills are required. Familiarity with GIS software and Remsoft Analytics is a plus.

Applicant must a US citizen or Lawful Permanent Resident to apply. Offers of employment are contingent upon background check results.

SALARY: Commensurate with experience and education.

DURATION OF POSITION OPENING: Until position is filled.

CONTACT: Submit cover letter and resume via email to jobposting6@fwforestry.com
