

POSITION: Forester

LOCATION: Adirondacks of NYS – Warrensburg, NY and north

RESPONSIBILITIES: Primary responsibilities will be working on the Upper Hudson Woodlands investment property in the region of Indian Lake, Long Lake and Newcomb areas conducting timber harvest marking and layout, contract crew inspections and supervision, as well as completing forest inventories, boundary marking as well as collecting GPS field data, and other detailed organizational skills with files and paper work. Field time may at times consist of out of town work.

REQUIREMENTS: We are seeking a highly motivated individual with the ability to work independently, as well as in a team environment. A minimum two year forestry degree is required. An additional 2 to 3 years' experience in a similar forestry field is preferred. Computer skills in Microsoft Office Excel and Word will be necessary. Good written and verbal communication skills are required. Experience with GIS is a plus. The selected individual will need to live in the region.

ESSENTIAL FUNCTIONS: Includes the ability to traverse distances over one mile on uneven terrain; work in outdoor forested areas for extended periods in a variety of environmental conditions; occasionally carry 5 to 10 pounds of equipment over longer distances for extended periods of time. Must be able to work independently during a work week and complete tasks in a timely manner. Must have an insurable driving record.

SALARY: Commensurate with experience and education.

DURATION OF POSITION OPENING: Until position is filled.

CONTACT: Submit all resumes/cover letters via email to jobposting2@fwforestry.com
