

HUBER RESOURCES CORP

Date of job posting: July 15th.
Anticipated start: September
Title of position: Operations Forester
Location of position: North central Maine
Position description: Operations Forester

Huber Resources Corp (www.huberresources.com), a wholly owned subsidiary of the J.M. Huber Corporation, has an immediate opening for an operations forester in north central Maine.

The successful candidate will be responsible for managing forest operations to ensure client goals are met or exceeded. Responsibilities include, harvest layout, timber cruising, harvesting and road contract supervision, and activity reporting.

Applicant must be a self starter and have good computer skills. They must have the ability to work alone in steep, uneven terrain and in inclement weather. Experience in GPS, GIS, and MS Office is necessary. Applicant must have clear oral and written communication skills, and enjoy a high performance team environment. A four year forestry degree is preferred. Dual, or minor, wildlife biology coursework is a plus. A driving license is required as is the ability to become a Maine Licensed Professional Forester. The ability to communicate in French is beneficial but not required.

Huber Resources Corp has an excellent benefits package that includes dental, medical, vacation, retirement, and profit sharing plans. Pay depends on qualifications and experience.

Huber Resources Corp is an Equal Opportunity Employer and does not discriminate on the basis of race, religion, color, sex, sexual orientation, gender identity, age, protected veteran status, non-disqualifying physical or mental disability, national origin, genetic information, or any other basis covered by appropriate law. All employment is decided on the basis of qualifications, merit, and business need.

Applicants should send a cover letter and resume, either by mail or electronically, to Trevor London. Interviews for qualifying candidates to follow in August with a start date of early September.
