The Department will consider it a lateral transfer request, if the employee requesting the transfer is a permanent, classified employee in the same job classification and specialty as the open position. The Department will not require an examination if the employee meets the above criteria. If the employee is in the same pay grade, but not the same job classification or specialty, then the Department will consistently require the employee to pass the examination within the specified time frame of the job announcement to be considered for the open position. All employees requesting a lateral transfer request will be required to go through the interview process. The hiring decision will be made according to the hiring procedures and policy and there is no guarantee that the employee requesting the lateral transfer will get the open position.

To be considered for a lateral transfer the employee does not need to apply for the position on the State website. Complete the Lateral Transfer Request Form (HR 605) and email it to hr@idl.idaho.gov and enter **LATERAL REQUEST in the subject line**. The email must be sent to the HR email ID within the specified timeframe on the job announcement for this open position to be considered. Late requests will NOT be considered.

The positions are open through **Saturday, April 29, 2017**.

If you have any questions about the positions, please contact **Eric Besaw** at ebesaw@idl.idaho.gov or at **(208) 666-8605**.
