

Excellence grows here.

Job Opportunity: Senior Procurement Forester, Longview, Washington

Who We Are

Interfor is a growth-oriented lumber company with operations in Canada and the United States. We have an annual production capacity of 3 billion board feet and offer one of the most diverse lines of lumber products to customers around the world.

What We Offer

Interfor is where excellence meets opportunity. We invest in your success by positioning you alongside the best people in top quartile mill facilities located in great communities across North America. In the past decade, we've infused close to \$1 billion into modern facilities and systems that employ the latest technologies.

Interfor is one of the largest lumber companies in the world and we're growing in exciting directions. Come be a part of our success.

We are currently recruiting for a **Senior Procurement Forester for our Longview sawmill in Longview, WA**. The Senior Procurement Forester will be responsible for the purchase and delivery of sawlogs to support the Longview mill within the boundaries of annual inventory targets, and pricing structures. The position will be located in Longview, WA and will cover the Southwest Washington region.

What You'll Do

- Negotiate with timber suppliers and purchases timber on behalf of the company.
- Coordinate gate wood deliveries.

- Monitor supplier performance versus targets, costs and quality; implement corrective action as needed.
- Coordinate weekly, monthly and annual timber harvest plan with Timber Manager.
- Receive bids for logging and related projects, analyze bids and make hiring recommendations to Timber Manager.
- Ensure compliance with company policies and procedures, including contract administration, financial, safety, timber security and environmental policy.

What You Offer

- Strong organizational and leadership skills
- Detail and results oriented
- Excellent interpersonal and communication skills and ability to work effectively in a highly interactive team environment
- Strong negotiating skills (i.e. analytical, quick-thinking, and innovative)
- Self-starter as demonstrated by prior experience
- Intermediate skills in Microsoft office (Word, Excel, and PowerPoint)
- Strong mathematical skills
- Post-secondary degree in Forestry, Business, or related field
- Proven track record in log purchasing and procurement
- Minimum 5 years of experience in timber procurement or related field

- Knowledge of timber harvesting, road building, cruising, and log scaling techniques in the Pacific Northwest
- Experience working with diverse sources to supply lumber mills
- Working knowledge of Washington Forest Practices Act
- Experience with federal and state timber sale programs
- Possess a valid driver's license
