

BUSINESS ANALYST

Keweenaw Land Association, Limited (www.keweenaw.com), has an immediate opening for a Business Analyst. This person will perform financial analysis for the various business functions and support the development of solutions and recommendations for the current business operations. May also provide business data interpretation, produce ad hoc data and reports, and assist in developing and/or implementing systems to capture business operation information.

The ideal candidate should have experience working with financial data, understand accounting and be familiar with SQL databases. An understanding of forestry is helpful. Applicant must be a self starter and have the ability to work both independently and as part of a team. Excellent oral and written communication skills, analytical and critical thinking skills are a must. A degree in Business or related field and 2-5 years of experience is desired.

Keweenaw owns and manages 182,000 acres of timberland in the Upper Peninsula of Michigan and Northern Wisconsin. It offers an excellent benefits package including dental, medical, vacation, retirement, and profit sharing plans. Pay depends on qualifications and experience. Keweenaw is an Equal Opportunity Employer and does not discriminate on the basis of race, religion, color, sex, sexual orientation, gender identity, age, protected-veteran status, non-disqualifying physical or mental disability, national origin, genetic information, or any other basis covered by appropriate law. All employment is decided on the basis of qualifications, merit, and business need.

Applicants should send a cover letter and resume, by mail or electronically, to Brian Glodowski, President and CEO, Keweenaw Land Association, Limited, 1801 E Cloverland Dr, PO Box 188, Ironwood MI 49938, bglodowski@keweenaw.com.
