

## Log Yard Manager

Keweenaw Land Association, Limited is seeking an experienced individual to assume the position of Log Yard Manager. This is a full time exempt position with salary level dependent on skills and experience. This person is responsible for the direct oversight of the KLA Log Yard activities located in Ironwood, MI, including log scaling and grading, and marketing of veneer, sawlog and pulpwood to customers.

### Specific Duties

- Management of day-to-day operations in the log yard
- Scale and sort hardwood logs with the use of an electronic handheld
- Marketing of logs to KLA customers
- Organize and maintain log inventory records for inventory control purposes
- Work with logging contractors to ensure merchandising specifications are being adhered to
- Develop and maintain strong relationships with logging/trucking contractors and log customers
- Have a thorough understanding of the log and stumpage markets

The ideal candidate should have a Forestry Degree, however, significant experience and training in log scaling and sales will also be considered. The person needs to be capable of working independently, be a self-starter and willing to work outdoors in all weather conditions. In addition, the candidate must be able to effectively communicate, both verbally and in writing, with customers, logging and trucking contractors, forestry personnel, and senior management.

Keweenaw owns and manages 185,826 acres of timberland in the Upper Peninsula of Michigan and northern Wisconsin and is committed to sustained yield management policies in an environmentally responsible manner. Keweenaw offers a competitive salary and highly regarded benefit package including health insurance and 401k plan.

A current resume, together with salary requirements, should be sent to Brian D. Glodowski, President, Keweenaw Land Association, Limited, P.O. Box 188, Ironwood, Michigan 49938 or by email to [bglodowski@keweenaw.com](mailto:bglodowski@keweenaw.com).
