

LandVest

Position Available: Western Region – Manager, Finance and Forest Analytics

Purpose: This position will be responsible for the management of financial and KPI reporting functions for 200,000 acres of commercial forestland in California along with other western consulting and transaction business.

Location: Mount Shasta, California. Will consider Redding and Eureka, CA; Eugene, OR; or possibly other western location for the right candidate.

Duties and Responsibilities:

- Lead monthly, quarterly and annual reporting functions for a variety of metrics including financial performance, workplace health & safety, forest certification, production, asset valuation and forest carbon.
- Assist in the preparation of budgets for multiple operating units.
- Interact with field personnel and clients to facilitate and improve the efficient and dynamic reporting of all operational functions
- Work directly with LandVest CFO and other accounting staff in support of the finance and accounting aspects of property management
- Identify areas for continuous improvement in reporting and processes
- Participates in other job duties as requested
- Apply a high degree of self-motivation, excellent organizational skills, good decision-making skills, and a positive attitude to all areas of work

Required Qualifications:

- Minimum BS in Forestry (with experience in finance), Finance, or Accounting
- MBA or MS in Forestry, Finance or Accounting strongly preferred
- A background in forestry/paper/forest products is a plus
- Experience in workplace health & safety
- Strong written and verbal communication skills
- Positive attitude and strong work ethic
- Experience with geographic information systems and forest planning software such as ESRI, Woodstock, FPS and FVS is a plus
- A valid Calif. Driver's License is required; travel and overnight stays are to be expected.

Physical Requirements: The position includes visits to the field. Applicants should be able to navigate moderate terrain for a distance of up to one mile.

Timing, Salary and Benefits:

- The position is available now but will wait for the right candidate
- Highly competitive salary commensurate with experience
- Attractive benefits package to include medical, dental, 401(k), PTO and flexible work hours

Interested Candidates should email cover letter and resume to: careers@landvest.com.
