

## **Forester**

### **GENERAL POSITION SUMMARY:**

The Forester will apply a wide variety of forest management techniques while managing multiple projects.

### **MAJOR RESPONSIBILITIES:**

- Assist the Senior Forester with all aspects of management of a 12,000 acre family-owned tree farm, assuming increasing levels of responsibility for property management over time (approx. 80% time).
  - Develop a knowledge and appreciation for the property's unique history and ownership objectives.
  - Responsible for accurate and timely contract administration such as reforestation, pre-commercial thinning, road construction and maintenance, and other activities.
  - Have a working understanding of forest practice rules in Oregon.
  - Layout harvest and silvicultural treatment units.
  - Administer timber sale activities in a timely manner and supervise contract logging operations.
  - Plan and conduct annual timber cruising activities.
  - Assist in the development and management of budgets and forecasts.
- Assist on other MB&G projects on an as-needed basis (approx. 20% time).
  - Examples include data management/GIS, timber cruising, and land management work on other properties.

### **SUPERVISORY RESPONSIBILITY:**

- May supervise daily activities of forest technicians and sub-contractors.

### **INTERPERSONAL CONTACTS:**

- Contacts are within the company, business contacts and with our clients.

### **JOB SKILLS:**

- Working knowledge of forest management and related timber harvesting operations.
- Intermediate skill level in Microsoft Office and Excel, ArcGIS a plus.
- Excellent communication skills.
- Self-motivated and able to manage multiple tasks with minimal direct supervision.
- Enthusiastic and team-oriented individual.

### **EDUCATION AND/OR EXPERIENCE:**

- B.A./B.S. in Forestry, natural resources or related field.
- Minimum of 1 year of accumulated field forester experience with team lead abilities.
- Combination of experience and education.
- Preference given to candidates with previous consulting experience.
- Valid driver's license.

### **JOB CONDITIONS:**

- Work is performed both in the field and in our Jordan, OR office.

- Must currently reside or be willing to relocate to within 25 road miles of the Jordan office.
- Must be available for evening/weekend work for emergencies during fire season.
- May require occasional travel to project sites throughout the Northwest.
- Field work to be performed in all weather conditions, steep, rough terrain, and a variety of settings including open fields and forested areas.
- Computer use, physical ability to operate a telephone, and sit for extended periods of time, may lift/carry up to 50 pounds.
- Personal vehicle suitable for use in forest environment is required.

## **ABOUT US:**

Mason, Bruce & Girard, Inc. is a full-service natural resources consulting firm, with expertise in environmental services, forestry and geographic information systems (GIS). A set of core values guide our work, focusing our efforts on providing responsible, sustainable solutions that meet client needs. Our areas of expertise include forestry, wildlife, fisheries, wetlands, water quality, and GIS. Our work is characterized by the highest level of client service, the application of the best science and technology, quality processes and results, integrity, and our respect for the natural environment. We provide natural resource consulting services to both industry and government, and have done so since 1921.

MB&G offers a generous benefits package which includes medical, dental, vision, 401(k), short and long-term disability, group life, competitive salaries and an excellent working environment.
