JOB POSTING

TITLE: Area Forester
DATE: March 1, 2019
REPORTS TO: Area Manager
FT/PT: Full-time
DEPARTMENT / AREA: Grants Pass, OR
CLOSE DATE: until hire

OVERVIEW:

Olympic Resource Management, a subsidiary of Pope Resources, is a dynamic and growing timber company in the Pacific Northwest currently owning and/or managing over 250,000 acres of timberland. Due to an acquisition of additional property an opportunity has opened for an Area Forester, an advanced-level position with responsibility for all harvesting and silvicultural management activities on the Perpetua Tree Farm in Southern Oregon. The responsibilities of this position require approximately 65% of time spent in the field and 35% in the office with travel to the regional office in Wilsonville, OR.

We are looking for entrepreneurial individuals with a passion for the forest industry and a desire to advance in the field. This is an exciting opportunity to join a dedicated, highly engaged team of people who genuinely enjoy what they do in a position with potential for long-term career growth.

KEY RESPONSIBILITIES:

- Road design and harvest unit layout.
- Harvest, road construction/maintenance, and silvicultural contract supervision.
- Application of Oregon Forest Practices Act rules and regulations and SFI policy compliance.
- Budget development and tracking / harvest planning and scheduling assistance.
- Monitoring and adjusting log quality and manufacturing.
- Creating silvicultural prescriptions including, planting, herbicide application, PCT, etc.
- Preparing maps and other contract documents.
- Ensuring compliance with company and governmental safety standards.
- Mentoring Forester I in small office.
- Working with neighboring landowners on varying agreements.

CORE COMPETENCIES / EDUCATION REQUIREMENTS:

B.S. / B.A. degree in forestry, or related field with a minimum of five years of operational forestry experience and contract administration responsibilities. Less experience may be considered for those with demonstrated ability to take on increased responsibilities and learn quickly. Working knowledge of MS Office, GIS programs, technology, silviculture, timberland cruising, an understanding of statistics and a strong work and stewardship ethic. Ability to work independently as well as demonstrated interpersonal/team skills and mentorship skills. Effective written and oral communication. Computer literacy in database management, spreadsheets and word processing software desirable. Must be a licensed and insurable driver in relevant state of base operations.

APPLICATION PROCESS:

We offer a competitive compensation and benefits package including medical, dental, and vision coverage, flexible spending accounts, short- and long-term disability, life insurance, 401(k) with company match and participation in bonus program as well as a generous paid time off benefits program. If you are interested in joining an organization that values resourcefulness, stewardship of the land, sustainable growth and teamwork, send your resume and cover letter to jobs@orminc.com.
