

Forestry Heavy Equipment Trade Assistant

Oxford Hills Technical School in Norway, Maine seeks a Forestry and Heavy Equipment (FHE) Trade Assistant to join our team.

The FHE program provides high school students with training in forestry, wood harvesting, and related heavy equipment operations. This training includes classroom instruction and applied learning projects both on- and off-campus. The successful candidate will supervise small groups of students, assist with the classroom, shop, and field activities, assist the instructor in the preparation and organization of instructional materials, and help maintain program equipment.

The successful candidate will have at least a high school diploma and three years of paid employment as a heavy equipment operator. He or she must have a bus drivers license or be willing and able to get one.

This is a full time, salaried, school year (180 day) position with full benefits. It starts in late August 2018. The search will end when a suitable candidate is hired.

Interested candidates are invited to submit a letter of interest, resume, three letters of reference, college transcripts, and completed application form. Email s.lambert@msad17.org for an application form.
