

FORESTER I – Vaughn, Oregon

Roseburg is a privately held and fully integrated forest products company with timberland holdings in both Oregon, North Carolina and Virginia. We are currently seeking a Forester to join our professional forestry team. The position will work out of our Vaughn office located west of Eugene Oregon.

As a Forester, you will plan, implement and administer assigned silvicultural activities to meet or exceed standards set by Roseburg and state regulations. Activities to be performed include plantation establishment, vegetation control, density management, forest inventory, fire suppression, slash disposal and other duties as may be assigned. Responsibilities include management of assigned projects within budget objectives, ensuring that contract work is done in full compliance with specifications and supporting other staff as needed. This is a field oriented position that is physically demanding and requires working at various times on steep slopes in a wide range of adverse weather and field conditions.

This position requires a minimum of a bachelor's degree in Forest Management or a related resource field and at least 2 years of related field experience. You must have good communication skills and be proficient in the use of current word processing and spreadsheet computer programs. Most importantly, you must be excited about growing trees!

If you are looking for an opportunity to contribute and talented people to work with; please submit your cover letter, resume and application online by **September 28, 2018**. Roseburg offers a competitive salary and benefits package including medical, dental, vision, 401(k) match, vacation and other paid time off.
