SUMMER INTERNSHIP OPPORTUNITY FORESTRY INTERN NORTHERN CALIFORNIA

JOB DESCRIPTION

Earn while you learn. Would you like to gain valuable education and real-world experience in all aspects of sustainable resource management with a wood products industry leader?

SPI is excited to announce our updated **Forestry Internship** specifically designed to complement concepts learned in school while working alongside experienced resource management professionals.

The updated **Forestry Internship** position may include:

- Timber cruising
- Sawmill log procurement
- Timber Harvest Plan (THP) preparation
- Logging administration
- Harvest unit layout
- Wildlife & botany work
- GIS
- Road layout
- Reforestation

QUALIFICATIONS

Graduation from, current enrollment or acceptance in a Forestry, Natural Resources, or related program of study is preferred.

Interns must be able to cross-country hike and negotiate steep, brushy terrain.

Interns must have a valid driver's license.

Did you know SPI Forestry Internships often result in offers of employment upon graduation? Apply today!
