

Stella-Jones seeks a qualified Tie Buyer for our Oakridge, TN operation as well as our NE Region covering Vermont, New Hampshire and Maine. Our Buyer works closely with lumber mills to select and order wood. The Buyer will also inspect, grade and appraise wood commodities offered for sale to determine value and yield.

Primary Responsibilities:

- Provides a continuous monthly supply of ties to accomplish above-allocated annual production requirements.
- Purchases and balances raw materials inventory to meet required production levels.
- Monitors yields to ensure cost efficiency is maintained and budget requirements are met.
- Maintains and develops new relationships with sellers of raw materials.
- Ensures proper quantity and quality of materials received to locations.
- Contacts and follows up on any open market producers that have material fitting production needs.
- Provides price forecasts and outlooks for purchases and arranges payment for completed orders.

Requirements:

- BS or AS in Forestry or relevant degree preferred
- Demonstrated negotiation abilities
- Computer proficiency (Excel, Word, Outlook)
- Excellent oral & written communications skills
- Strong business orientation
- Ability to travel
