

# **Stimson Lumber Company**

**Forester**

**Plummer, Idaho**

We are seeking a Forester to join our Inland Resources Team. This position offers a rewarding opportunity for an individual to be directly involved in on-the-ground activities related to land management with the objective of maintaining long term production of company owned timberland in our Inland region (Idaho, Washington, Montana). In this essential role, you will join a team that embraces creative problem solving, team work and initiative. This position will be working out of the Plummer ID location.

**Millwright**

**Forest Grove and Tillamook, Oregon**
