

ACADIAN TIMBER

**Employment Opportunity
OPERATIONS & PLANNING FORESTER
Katahdin Region – Millinocket, Maine**

Acadian Timber Corp, is a leading supplier of primary forest products in Eastern Canada and the Northeastern U.S. With a total of approximately 2.4 million acres of land under management, Acadian is one of the largest timberland operators in New Brunswick and Maine. Acadian owns 300,000 acres of timberland in Maine and 800,000 acres in New Brunswick, while also providing management services for 1.3 million acres of Crown licensed timberlands in New Brunswick.

Katahdin Forest Management, a division of Acadian Timber, has an immediate opening for an **Operations & Planning Forester** based in Millinocket, Maine. The primary area of responsibility will be managing activities on 100,000^{+/-} acres north of Millinocket but will also include work around the Millinocket area. In addition, the position will work closely with our New Brunswick staff to assist with the planning and field verification of future harvest units across the entire Maine ownership. Approximately 70% of the time will be dedicated to harvest operations and 30% will be focused on planning functions, although this will vary throughout the year.

Overview of Primary Responsibilities:

- Planning, administration, and record keeping for all aspects of harvesting operations, including harvest layout, inspections, merchandising, post-harvest inventory, road construction & maintenance projects.
- Planning, administration and record keeping for other forest management activities including herbicide applications, planting, PCT, and general property management.
- Utilizing GIS and other tools to assist with planning and field reconnaissance of future harvest units.
- Ensuring KFM remains in compliance with all laws and regulations, including our Conservation Easement, Outcome Based Forestry standards and SFI certification.
- Maintaining exceptional relationships with Internal and External Customers.

The ideal candidate will have the following qualifications:

- Bachelor of Science degree in Forestry. Associates degree in Forestry will be considered based on experience.
- Preferred 2-4 yrs of Forestry / Harvest Operations experience
- Currently or eligible to become a Maine Licensed Forester
- Strong computer technology and GIS skills
- Commitment to safety and environmental standards
- Strong interpersonal and leadership skills
- Physically fit and willingness to cope with adverse field and weather conditions
- Valid driver's license

Salary and Benefits:

- Salary commensurate with experience
- Paid holiday & vacation schedule
- Benefits package including Healthcare, dental, vision, life insurance and disability plans
- 401(k) retirement plan with company match
- Company vehicle

Candidates who possess these qualities are invited to submit their cover letter and resume by email to:

HR@acadiantimber.com

We thank all applicants for their interest but only those selected for an interview will be contacted.

Acadian Timber is an equal opportunity employer.
