

Positions: Forester (Supervisory), Forester (Check Cruising)

Location: Redding, CA

Overview:

Alpine is looking for two Foresters to add to our forest inventory operation. The primary roles would be supervision of forest inventory crew and or check cruising of fixed radius plots in plantation stands. Alpine foresters have diverse roles that range from Long Term Planning, Field Data Collection, Carbon Offset and even Software Development. The successful candidate will be quick to learn new technology, possess excellent problem-solving skills and be intellectually curious. Preferred candidates will be eligible for the RPF exam in 3 years. Let's start the conversation!

Qualifications:

- 2- or 4-year degree in a forestry related discipline
- Valid Drivers' License and insurable driving record
- Willing to re-locate
- Willingness to be away from home for 5 days at a time (camp based during field season)
- Eligible for the RPF exam in 3 years (preferred but not required)

Compensation:

Full-time Position with a starting hourly rate of \$22-\$24, paid time off, paid holidays, Medical Insurance (Company Paid), Dental Insurance (Company Paid), Vision Insurance (Optional), and consistent over-time hours during field season.

Ways to apply:
