

Position Announcement

Position: **Forester**

Location: **Chehalis, WA**

Reports To: **District Manager**

American Forest Management, Inc. (AFM) seeks a forester to join our team in Chehalis, WA. This position will report to the Chehalis District Manager and be responsible for all aspects of forest management (planning, permitting, timber harvest, roads, silviculture, client reporting, and budgeting) on 116,000 acres under AFM management, as well as other tasks assigned by the District and Region Manager.

Primary Job Functions and Responsibilities:

- Harvest unit layout and permitting in a complex regulatory environment.
- Road construction and maintenance layout, permitting, and contract administration.
- Silviculture & reforestation planning and contract administration.
- Budgeting and planning for assigned responsibilities.
- Work within the objectives of the Sustainable Forestry Initiative.
- Other tasks as assigned by the District and Region Manager.

Qualifications:

- Bachelor's Degree (or higher) in Forestry or related field OR Associate's Degree in Forestry and 2+ years of experience.
- Strong written and oral communication skills.
- Proficiency in Microsoft Office software such as Word and Excel.
- Ability to work within a team environment.
- Ability to work in difficult field conditions.
- Possession of valid Driver's License and ability to safely operate vehicle.
- Experience with Washington Forest Practice Rules and harvest permitting desired.
- Experience with ArcGIS software desired.

Work Environment:

Office and remote field environment. At times works alone in remote forest lands accessed by private unimproved roads where off-road driving skills are required. Involves working long periods of time outdoors, sometimes in adverse weather conditions including summer heat and extreme cold. Required travel to properties covering a wide geographic area in Washington State.

Salary and Benefits:

- Salary commensurate with qualifications and experience.
- Salary position paid semi-monthly.
- 9 paid holidays.
- Paid vacation schedule.
- Company vehicle provided, including personal use.
- Healthcare and disability plan.
- 401(k) retirement plan.
- Eligible for annual and new business bonus plans.

AMERICAN FOREST
MANAGEMENT

About American Forest Management, Inc.

American Forest Management, Inc. is one of the largest forestry consulting firms in the United States. AFM currently manages over 5.7 million acres of privately-owned timberland throughout the US, with offices throughout the Northeast, Southeast, Lake States, Pacific Northwest, and Gulf Regions. AFM's team of professionals is focused on meeting client needs by providing a complete range of forestry services including land and wildlife management, land sale and acquisition services, forest inventory and design, growth and yield modeling, cash flow projections, environmental services, appraisal, forest resource data management and harvest scheduling. Our small regionally dispersed offices allow us to provide individualized services, and our large overall size allows us to coordinate teams of foresters and technical specialists for large, complex jobs.
