

POSITION ANNOUNCEMENT

File Reference: 2022-27

Position Title: Experiential Learning Specialist

Location: Fort Collins, Colorado

Salary: \$53,000 - \$55,000, commensurate with experience

Employment Status: This full-time, regular appointment will be a Colorado State University Administrative Professional employee.

Closing Date: Applications will be accepted until the position is filled; however, applicants should submit all application materials by 11:59pm on November 28, 2022 for full consideration.

Under the supervision and guidance of the Associate Director of Science and Data in collaboration with the Department Head of Forest and Rangeland Stewardship (FRS) the Academic Liaison and Experiential Learning Specialist will facilitate collaboration among the Warner College of Natural Resources (WCNR)/Colorado State University (CSU) academic and research programs, other universities and colleges, and the Colorado State Forest Service (CSFS). The Academic Liaison will help position the CSFS as a regional leader in science-based, climate adaptive forest management practices by ensuring that field practices are based on the best available science. Core functions of this position include: providing leadership, facilitating and coordinating student internships and relevant experiential learning opportunities for students; developing and instructing silviculture and forest ecology courses for the Online Graduate Certificate Program in Applied Silviculture; instructing forestry field skills courses within the FRS department; translating climate change-related research and general science synthesis; and supporting key CSFS strategic planning initiatives. Additionally the Academic Liaison will supervise and mentor students and have a support role in advising the student chapter of the Society of American Foresters.

Required Job Qualifications

- Master's degree in silviculture or forest ecology or related field.
- One year of professional forest management or forest resource assessment experience.
- Must have a valid driver's license or the ability to obtain a driver's license or access to a licensed driver by the employment start date.
- Experience mentoring students
- The successful candidate must be legally authorized to work in the United States before the employment start date; Colorado State Forest Service will not sponsor a visa for this position

CSU is an EO/EA/AA employer and conducts background checks on all final candidates.
