

POSITION ANNOUNCEMENT

File Reference: 2023-12

Position Title: Forest Health Technician - RAI

Location: Fort Collins, Colorado

Salary: \$30,000 - \$38,000, commensurate with experience

Employment Status: This full-time, regular appointment will be a Colorado State University Administrative Professional employee.

Closing Date: Applications will be accepted until the position is filled; however, applicants should submit all application materials by 11:59pm on June 16, 2023 for full consideration.

Job Summary: The Colorado State Forest Service at Colorado State University is hiring to assist with entomology data collection and insect identification. The term of the position is seasonal and of variable length and will be based on the needs of the research and field work, with potential for extension dependent upon funding. The position duties are approximately 65 to 85% conducting fieldwork and 15-35% project management, coordination, and collaboration with the Forest Entomologist. This position is focused on supporting Forest Health Program objectives. Please provide a cover letter, resume, unofficial transcripts, and three references. A four-year college degree and a valid driver's license are required.

Required Job Qualifications:

- A bachelor's degree in Biology, Botany, Entomology, Forestry, Geology, Natural Resource Management, or a related-field
- Have a valid state driver's license and the ability to pass a motor vehicle background check
