Colorado State Forest Service is seeking a Lead Project Forester to lead and manage complex projects under the Supervisory Forester's guidance. Key program areas include wildfire protection, forest agriculture, stewardship planning, and collaborations. To learn more, visit our website + [apply now!](#)

Position: Lead Project Forester – Two Openings in Different Locations

Location: Boulder, CO & Durango, CO

Salary: \$60,000 - \$65,000 (Based on Experience)

Responsibilities:

- Lead and manage projects in areas such as Community Wildfire Protection Plans, wildfire hazard mitigation, forest agriculture, forest stewardship planning, Good Neighbor Agreements, outreach and engagement programs, and collaboratives and partnerships.
- Oversee project budgets, personnel direction, and grant and agreement development.
- Coordinate program delivery with staff and serve as the primary contact for local officials and key partners.
- Train and mentor Field Office or Area foresters.
- Develop and manage program and project budgets.
- Provide input to Area strategic work plans and support all Area operations.
- Act as a local Subject Matter Expert on assigned projects and programs.

Ideal Candidate:

- Thorough knowledge of field office and area operations.
- Experience with local collaboratives and partnerships, silviculture, best management practices, insect and disease identification and management, wildfire mitigation, community protection, timber harvest operations, and contract development and administration.
