

Forester

Are you a forestry professional seeking a position that plays an essential role in safeguarding our forests for future generations? Are you seeking career growth, promotion opportunities, and a great benefits package? If you answered yes, the Department of Conservation & Natural Resources has the perfect opportunity for you working as a **Forester** within our Clear Creek Forest District!

In this position you will provide professional forestry leadership, advice, and guidance to private and public forest landowners, government agencies, and other conservation groups. Duties include timber stand analysis, wildlife habitat plans, forest health surveys, and planning & conducting wildfire suppression & prevention activities.

As a valued member of the Commonwealth's DCNR team, you will enjoy...

- a company vehicle,
- a healthy work-life balance plus employee wellness programs,
- eligibility for the Federal Public Service Loan Forgiveness program which assists with student loan debt,
- a generous & comprehensive benefit package including health insurance, sick leave, vacation time, life insurance, retirement plan, and much more...

If this sounds like the opportunity for you, follow the link below for all the details and to apply!
