

POSITION: Forest Tech/Forester

LOCATION: Adirondacks, New York

RESPONSIBILITIES: Primary responsibilities will be field work consisting of timber sale layout and marking and assisting Client Manager on large client property, forest inventories, collecting GPS field data, logging supervision, in addition to other detailed organizational skills with files and paperwork. Occasional travel out of town will be required for inventory work.

REQUIREMENTS: We are seeking highly motivated individuals with the ability to work independently, as well as in a team environment. A minimum a four year degree in forestry or a two year forestry degree with 2 to 3 years' relevant experience is preferred. Computer skills and other digital skills will be necessary. Good written and verbal communication skills are required.

ESSENTIAL FUNCTIONS: Includes the ability to traverse distances over one mile on uneven terrain; work in outdoor forested areas for extended periods in a variety of environmental conditions; occasionally carry 5 to 10 pounds of equipment over longer distances for extended periods of time. Must be able to work independently during a work week and complete tasks in a timely manner. Must have an insurable driving record.

SALARY: Commensurate with experience and education.

DURATION OF POSITION OPENING: Until positions are filled.

CONTACT: Submit all resumes/cover letters via email to jobposting12@fwforestry.com
