

**POSITION:** Forester

**LOCATION:** Vermont, New Hampshire and portions of Maine

**RESPONSIBILITIES:** Primary responsibilities will be conducting timber harvest marking and layout, contract crew inspections and supervision, as well as completing forest inventories, boundary marking (including collecting GPS field data), record-keeping and maintaining files. Field time may, at times, consist of out-of-town work.

**REQUIREMENTS:** We are seeking a highly-motivated individual with the ability to work independently and in a team environment. A minimum of a two-year forestry degree is required. An additional three to five years' experience in this and/or a similar forestry field is preferred. Computer skills in Microsoft Office, particularly Excel and Word, as well as good written and verbal communication skills, are required. Experience with GIS is a plus. The selected individual will need to live in the region.

**ESSENTIAL FUNCTIONS:** The person chosen will have the ability to traverse on foot distances over one mile on uneven terrain; work in outdoor forested areas for extended periods in a variety of environmental conditions; occasionally carry 5 to 10 pounds of equipment over long distances for an extended period of time. Must be able to work independently during a work week and complete tasks in a timely manner. Must have an insurable driving record.

**SALARY:** Commensurate with experience and education.

**DURATION OF SEARCH:** Until position is filled

**CONTACT:** Submit all resumes/cover letters via email to [mhamilton@fwforestry.com](mailto:mhamilton@fwforestry.com)
