

FWS Forestry, a subsidiary of F&W Forestry, is seeking a forest technician to join our growing team and help advance the western division's capabilities.

POSITION: Forest Technician – THP Preparation

LOCATION (Flexible): Redding, CA

REQUIREMENTS: We are seeking a highly motivated individual with the ability to work independently as well as in a team environment. Must possess excellent verbal and written communication skills. A degree in forestry, natural resources or related field is preferred. Willingness to pursue California Registered Professional Forester (RPF) designation.

RESPONSIBILITIES: Primary responsibilities includes field work in support of the timber harvest planning program for both in-house and contracted THPs. Job functions include:

- Maintain timely workflow of contracted Timber Harvest Plans including field verification of proposed harvest units, field checking contractors' flagging and tree marking
- Communicates effectively with the logging operations supervisors who provides professional guidance of contractor THP layout with respect to roads, tractor and cable unit layout
- Preparation of initial harvest unit and road assessment through field work, THP preparation and approval
- Assists forestry program manager in managing THP workflow, tracking, submission and approvals
- Works closely with forestry manager in updating the short-term tactical harvest plans as well as assisting with THP budget and advising operations on THP inventory for subsequent year's harvest plan
- Performs timber-marking under a variety of silvicultural prescriptions and assists with post-harvest completions in accordance with state and Company compliance standards
- Maintains detailed written and electronic records and updates GIS and tabular databases with field data collected from digital tablets or manually

PHYSICAL FUNCTIONS: Includes the ability to traverse distances of several miles on uneven, forested terrain; work in outdoor forested areas for extended periods in a variety of environmental conditions; occasionally carry 5 to 10 pounds of equipment over longer distances for extended periods of time. Must be able to work independently during a work week and complete tasks in a timely manner. Must have an insurable driving record.

SALARY: Commensurate with experience and education.

DURATION OF POSITION OPENING: Until position is filled.

CONTACT: Submit resume and cover letter via email to careers@fwsforestry.com
