## Job description

**Position:** Technical Forester

**Company:** Forest Management Solutions, LLC

**Location:** Centralia, Washington

**Job Type/Term:** Full time, Permanent

**Education:** High School diploma/GED minimum; Two-year Associate/technical degree in Forestry preferred; higher education in Forestry or another natural resource discipline will be considered.

**Experience:** Work experience related to forest inventory, harvest unit layout, forest road design, harvest methods, and silviculture are beneficial.

**Compensation:** Hourly, Dependent on Experience

**Hours:** 40+ hours per week.

**Schedule:** Flexible, generally 5 days per week, 8+ hours per day with occasional overtime and weekend work as necessary.

**Travel:** Overnight trips may be necessary several times per month

### Job Summary

Forest Management Solutions is seeking a motivated individual to join our forestry consulting team. The successful candidate will have a solid understanding of forest management practices and principles as they are applied in the Pacific Northwest.

Skills that will be built upon:

- Washington Forest Practice Rule comprehension and implementation
- Harvest unit layout, forest road design, and engineering
- Timber inventory (cruising) and data analysis: SuperACE™
- Computer proficiency: Microsoft Office® (Word, Excel), ArcGIS®

Expectations:

- Must be able to work independently and as a member of a team
- Must be able to work alone in steep and uneven terrain and in inclement weather conditions
- Must have a professional demeanor and a high degree of integrity
- Must be goal-oriented with a strong work ethic

To Apply

Please send a resume and cover letter to [info@fmspnw.com](mailto:info@fmspnw.com).

Candidates are welcome to include any supporting information they feel is necessary (references, transcripts, CVs, etc.)

About Forest Management Solutions
