Company Background: FutureWood is a family owned forest management company founded in 1988 and based in Hayward, Wisconsin. FutureWood is dedicated to providing science-based forest management to private landowner's throughout Wisconsin, Minnesota and Michigan. FutureWood also purchases stumpage from public agencies offering stumpage in the Lake States for delivery to various pulp, bolt, and log customers. FutureWood is affiliated with Johnson Timber Corp.

Job Description: The FutureWood Stumpage/Procurement Forester will be responsible for the following:

- Purchasing public and private timber sale stumpage in NE Wisconsin, Upper Peninsula of Michigan and additional areas as needed.
- Forecast monthly, quarterly and yearly harvest and financial projections.
- Manage multiple contract logging operations including road construction, maintenance and close outs.
- Actively engage with private landowners and provide professional forestry services.
- Assist Wisconsin Procurement Foresters with procurement of fiber for FutureWood's manufacturing facilities.
- Manage and develop current and potential markets for various wood products generated from timber sales.
- Other duties as needed in manufacturing areas or out of area work details.

Job Qualifications:

- Bachelor of Science degree in Forestry from an accredited University or Associates degree in Forestry with equivalent career experience in sale administration and fiber procurement.
- Minimum of 3-5 years forestry experience including cruising, timber sale establishment, timber sale administration, landowner assistance, and timber marketing.
- Excellent communication, written and multitasking skills essential for interacting with public and private stumpage holders, contract loggers and truckers, pulp and log customers and mill personnel.
- Self-motivated, disciplined, with the ability to work independently in a variety of situations, including field work, under all weather conditions, and interacting with potential and current contractors, agencies and clientele.
- Ability to prepare budgets and projections utilizing Excel spreadsheets.
- Willingness to be located near the Rhinelander, Minocqua, Tomahawk or Park Falls area.
- Knowledge of GPS/GIS preferred.
- Ability for extended overnight travel as required.

Compensation Package:

- Competitive salary offered
- Health and Dental insurance
- 401K profit sharing opportunities
- Paid holidays and vacation time
- Company vehicle provided

Application Deadline:

- May 5th, 2022 or until filled.
