

Job Announcement – Registered Professional Forester

Jefferson Resource Company (JRC) is a full-service forestry and environmental consulting firm with offices located throughout interior Northern California, including Yreka, Anderson, Mount Shasta, and Diamond Springs. We are currently seeking qualified Registered Professional Foresters to join our team at all office locations. Work will be diverse and is anticipated to range from participation and administration of large federal and private industrial contracts, management of nonindustrial ranch properties, grant funded fuel reduction projects, timber inventories, as well as fuel reduction work on small private parcels. In short, when it comes to the practice of forestry, there are very few aspects of the profession you will not be asked to participate in when you join our team. With seven full-time and six part-time currently active Registered Professional Foresters on staff, you will be joining a well-established network of professionals.

Duties and Responsibilities of this position will include, but are not limited to the following:

- Prepare timber harvest permits and timber sales
- Provide professional oversight of logging, reforestation, fuel reduction and other forest operations
- Provide professional oversight of assistants and technicians for timber inventories and timber sales
- Prepare, track, and administer budgets, schedules and operational quality control
- Conduct botanical, wildlife, and archaeological surveys; prepare concise reports of findings
- Effectively and professionally represent JRC and our clients when interacting with regulators
- Assist with patrol of JRC managed lands

Qualifications for this position include the following:

- Must be a California Registered Professional Forester
- Must be physically and mentally able to work long hours productively in harsh terrain under adverse weather conditions as well as operate effectively in an office environment
- Must possess a valid driver license and remain eligible to operate company vehicles, including trucks and all-terrain vehicles
- Must have a clean driver record and successfully pass a background check and drug test
- Possess a working knowledge of timber inventory and silviculture practices as well as logging, road construction and reforestation operations
- Must be apt at use of standard computer software such as MS Word and Excel; working knowledge of ArcGIS PRO preferred
- Must be an excellent communicator, both verbally and in written form

Compensation will be competitive and based upon experience; JRC pays above industry average. This is a full-time, salaried exempt position ranging from \$85,000-125,000/year. We offer medical, dental, vision, life, company vehicle, paid holidays, vacation, sick, bereavement, and a 401k with 4% employer match.

Equal Opportunity: JRC provides equal employment opportunities to all employees and applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.
