

LandVest is looking for an energetic and dedicated individual for a Land Surveyor and/or Survey Technician position for its growing business in its West Stewartstown, New Hampshire Office. The position will involve a combination of office and field work throughout New Hampshire and Vermont. LandVest offers the opportunity to work with an experienced and well-respected staff.

**Duties and Responsibilities:**

- Work independently and with a partner to complete:
  - Deed & Document Research
  - Field Reconnaissance
  - Measurements with GPS & Robotic Total Station
  - Line Marking
  - Calculations and Drafting using Carlson Survey or similar software
  - Business Growth: The successful candidate over time is expected to assist in growing the business by identifying and engaging with potential new clients.
  - The ideal candidate will live south of West Stewartstown, NH to facilitate efficient business growth
- 
- Bachelor's, AAS degree or Minor in Survey or Survey Technology
  - Willingness to acquire Surveying Licenses in New Hampshire and Vermont within 3 years
  - OR current Survey License in New Hampshire, Vermont, or Maine
  - Strong work ethic and dedication
  - Open mind and readiness to learn from an experienced surveyor
  - Reliable 4WD, off-road capable vehicle

**LandVest will provide:**

- A stable organization celebrating over 50 years in business
- A positive work environment
- Near-term advancement opportunities including potential management of Surveying Division
- Competitive salary (based on experience and license status)
- Generous paid time off and leave policies
- Benefits include cost share for medical and dental, Basic Life and Long Term Disability insurance paid by the company, 401k with a company match, expense & mileage reimbursement, and more
- Opportunity to earn bonuses and incentives

Please upload your letter of interest and resume.
