

LandVest is looking for an energetic and dedicated individual for a District Forester position for its growing business in its Lowville, New York Office. The position will be a mix of field (75%) and office (25%) work for various clients focusing on meeting their forest management objectives. The position will report to the Forest Resources Manager- Mid Atlantic.

Duties and Responsibilities:

- **Planning:** Create harvest, road, and other field project implementation plans within the scope of existing or created management plans, to meet client silvicultural, environmental and income objectives
 - **Timber Sale Administration:** Development & implement silvicultural prescriptions, complete sale preparation documents, complete sales layout, easement compliance, create contracts, inspect active timber sales, etc.
 - **Green Certification:** Compliance with LandVest green certification policies and procedures.
 - **Contract Administration:** Create and Administer contracts for harvesting, road work, surveying and other contracted activities.
 - **Inventory:** Participate in and help manage inventory projects, including carbon project inventory as assigned. The ability to check cruise others as assigned.
 - **Other Field Duties:** Reconnaissance of potential harvest units, field easement compliance, hunting license compliance, road layout, boundary line maintenance, snowmobile club and trail issues, and GPS data collection, invasives control, etc.
 - **New Clients:** Follow-up with prospective client requests for proposals and work to create new clients within the assigned work area.
 - **480-a:** Enrollment of new projects and program compliance on existing projects.
 - **Office:** Maintenance of LandVest and client records, client relations, updating maps, creation of client proposals, 480-a administration, input into client monthly reports, other client reporting, respond to client and internal emails, timber sale paperwork, DEC permitting, writing management plans, etc.
- Bachelor's degree in forestry or related field from an SAF accredited program
 - Associate's degree with additional experience will be considered
 - Strong computer (Excel and Word) and other technical skills.
 - Three to five years of work experience with similar duties.
 - Passion for the forestry profession
 - Strong work ethic and dedication
 - Attention to detail and excellence.
 - Open mind and readiness to learn from experienced foresters.
 - Willingness to travel as needed across the northeast region for inventory and other assignments.
 - Desire to work in all weather conditions in remote areas often alone.
 - The initiative and ability to plan your own day to day schedule and work with minimal daily oversight.

LandVest will provide:

- A company truck with personal use options.
- A stable organization celebrating over 50 years in business.
- A positive work environment.
- Training, the opportunity to build upon your education, and hone your forestry skills.
- Mentoring to advance your forestry skills and career within LandVest.

- Competitive salary, paid time off, benefits & incentives.
- Salary negotiable depending on experience and qualifications.
- Expense reimbursement.
- Advancement opportunities.
