

Forester

Lone Rock Resources, a progressive, family-owned company with lands located across Southwestern Oregon, is seeking a highly motivated Forester for our Southern Oregon operations based out of our Central Point office. This is a unique and exciting opportunity with exposure to a wide range of forest operations and room for growth. Applicants should have at least a 4-year degree in Forestry or Natural Resources and at least 2 years of experience in reforestation or harvest administration. The position will be mostly field based and may include contract tree planting administration, contract spray administration, harvest unit layout and logging contract administration, young stand exams, herbicide application, slash burning, and other duties related to growing and harvesting trees. The ability to live within commuting distance of our Central Point office is a requirement of this position.

Lone Rock offers competitive wages, depending on experience, including annual performance-based bonus and exceptional benefits including medical, dental, and vision coverage, 401(k) and profit sharing, paid vacation and holidays, a company vehicle available for personal use, annual boot allowance, and more. Lone Rock Resources is also offering relocation assistance if needed.

For more information see our website at www.lonerockresources.com. Lone Rock Resources is a drug free equal opportunity employer.

To apply please submit a cover letter and resume. This position will be open until filled, so apply soon!
