

Coastal Logging Administrator Position

The Company:

Lone Rock Resources is a fourth-generation family-owned timber company with a proud past and an exciting future. We manage approximately 150,000 acres in southwestern Oregon where we have been in business since 1950 and have a well-earned reputation as one of the top private forestry companies in the Pacific Northwest. Lone Rock is a fully integrated forest management company involved in a wide spectrum of forest activities including having in-house cutting, logging, trucking, road construction crews, engineering, land surveying, silvicultural operations, inventory, GIS, logging administration, and log marketing. Lone Rock's mission is to manage our forestlands for the greatest enduring value while enhancing the environmental, social, and economic integrity of our lands and communities.

Position:

Lone Rock Resources is seeking a candidate for a Coastal Logging Administrator. The successful candidate will work in Lone Rock's Logging Administration Department where they will join a team of hardworking, talented, and dedicated individuals who thrive in performing exceptional work in a productive environment. We are looking for a motivated team player who will provide quality input to our diverse company structure. The successful candidate will be based out of our Myrtle Point, Oregon field office.

Job Duties: Included, but not limited to:

- Harvest unit layout
- Road construction layout
- Harvest unit inspections
- Budgeting for harvest units
- Preparing contracts
- Communication with neighbors
- Communication with other departments within Lone Rock
- Other duties deemed appropriate for the position

Required Qualifications:

- Good interpersonal communication skills and ability to work well with others
- Working knowledge of logging systems and equipment capabilities
- Knowledge of the Oregon Forest Practices Act
- Ability to travel to job locations over a large area
- The ability to work independently
- Valid driver's license and good driving history

Preferred Qualifications:

- 2+ years field experience in Forestry related field
- Bachelor degree in Forestry related field

Physical Requirements:

- Physically able to work in harsh terrain and in various environments in inclement weather

- Walking and standing up to 10 hours per day in various terrain and weather conditions
- Carrying equipment up to 50 lbs.
- Working in an office environment up to 10 hours per day

Benefits: A Full Time Salary Exempt Position with:

- Medical, Dental, and Vision Coverage
- 401(k) with a company match and a discretionary Profit-Sharing Plan
- Paid Time Off and Holiday Pay
- Life Insurance, Long-Term Disability, and Paid Medical Family Leave
- Company pickup truck
- Company cell phone
