

Position: Forest Analyst

Location: Roseburg, Oregon

Lone Rock Resources, headquartered in Roseburg, Oregon, is a family owned and operated company managing more than 150,000 acres in southwest Oregon. We are a fully integrated forest management company involved in a wide spectrum of activities including: reforestation, silviculture, inventory, cruising, forest land acquisition, surveying, road construction, logging, and log sales.

Empowered innovative people grow success. From our forests to our communities, this is what we believe in. To learn more about what makes us truly stand out, please visit: www.lonerockresources.com.

Duties and Responsibilities:

- Oversee forest inventory data collection by staff and contractors on company lands
- Assist with training seasonal employees, inventory cruising, and check cruising
- Assist in the development of long-term harvest plans
- Perform analysis on both forest inventory and research data sets to provide information and support for land management activities
- Assist GIS Analyst with editing and maintaining GIS data related to stands and harvest units
- Perform due diligence as part of the forest land acquisition team
- Represent company interests at select research cooperative meetings
- Special projects as needed

The Ideal Candidate Will:

- Be highly motivated, organized, and attentive to detail
- Have excellent analytical skills with an understanding of statistics
- Be proficient with Microsoft Office programs including: Access, Excel, Outlook, and Word
- Have experience with GIS
- Have strong oral and written communication skills
- Be able to work on adverse terrain in all types of weather
- Be able to work independently and safely with little direct supervision
- Be a team player who is able to understand and work well with others
- Possess a valid driver's license and a good driving history

Preferred Qualifications:

- Four-year degree or higher in forestry or a related field
- Three or more years of experience with forest inventory
- Experience with FPS or other inventory management system

Compensation:

Lone Rock offers a highly competitive compensation package. Salary is commensurate with experience and ability. Benefits include:

- Performance bonus program
- Paid vacations and holidays
- Generous medical and life insurance
- 401(k) retirement plan with company match
- Company issued pickup and cell phone
- Relocation assistance available

To apply: send a cover letter and resume with references to AKellom@lirtco.com or mail to Lone Rock Resources, PO BOX 1127, Roseburg, OR, 97470. Closing date for application is 9/2/2022.

Lone Rock Resources is a drug free equal opportunity employer.
