

Assistant Forester – Auburn, CA

General position summary:

Mason, Bruce & Girard (MB&G) is growing and in need of an assistant forester based out of our Auburn, CA office. The successful applicant will assist MB&G staff Registered Professional Foresters with forest health and fuels reduction projects, THP/timber sale preparation and administration, and contractor oversight.

Approximately 60% of projects are located within a 1.5-hour travel time from our base location of Auburn, CA. The remaining 40% are located within northern and Central California. The work is split 80% in the field and 20% in the office.

Why MB&G:

- Diverse and challenging range of projects, high potential for professional growth.
- Join an established team capable of leading large and ambitious projects.
- Flexible work scheduling.
- Above average compensation and benefits.

Ideal Candidates Should Be:

- Positive and interested in diverse and challenging work in multiple disciplines in forestry.
- Motivated and enjoy working creatively to solve problems and meet project objectives.
- Interested in or actively pursuing a California Registered Professional Forester license.
- Interested in a long-term forestry career in Northern California.
- Interested in continuously developing new skills.
- Able to take and pass the RPF and certified arborist exam upon completion of required experience.

Essential Functions/Work Assignment Examples:

- Assessing forested areas and developing treatment prescriptions.
- Planning, layout, and operational supervision of forest restoration and fuel reduction, and timber harvesting projects on private and public lands.
- Assists RPF's in preparation of permits and environmental reports.
- Field reconnaissance, mapping, and layout.
- Administration of restoration contracts including thinning and mastication.
- Project mapping and GIS analysis using office and field-based GIS applications.
- Unit layout, timber cruising, and timber marking.
- Timber sale preparation and administration.
- Hazard tree assessments.

Job Conditions:

- Work is performed both within the field and in our offices.
- Field work is to be performed in all weather conditions, steep, rough terrain, and a variety of settings including open fields and forested areas.
- Personal vehicle suitable for use in forest environment required.
- Periodic work around the Sierra foothills is expected.
- Periodic overnight travel.

Job Skills:

- Working knowledge of forest management and related timber harvesting operations.
- Intermediate skill level in Microsoft Office and Excel, ArcGIS a plus.
- Excellent communication skills.
- Enthusiastic and team-oriented individual.

Minimum Qualifications:

- B.A./B.S. in Forestry, natural resources, or related field.
- Ability to complete fieldwork in steep and brushy terrain under all weather conditions.
- Valid driver's license.
- Competency with Microsoft Office programs and Esri's ArcGIS.
- Positive and motivated.

About MB&G:

Mason, Bruce & Girard, Inc. is a full-service natural resource consulting firm, with expertise in environmental services, forestry, and geographic information systems (GIS). A set of core values guide our work, focusing our efforts on providing responsible, sustainable solutions that meet client needs.

We have four California Registered Professional Foresters (RPFs) on staff who lead forest health and hazard tree mitigation projects in the Sierra Foothills. We provide expertise and support CAL FIRE, private industry, small landowners, Federal and State agencies, Cities, Counties, Resource Conservation Districts, Utilities, and others.

Our areas of expertise include forestry, wildlife, fisheries, wetlands, water quality, and GIS. Our work is characterized by the highest level of client service, the application of the best science and technology, quality processes and results, integrity, and our respect for the natural environment. We provide natural resource consulting services to both industry and government and have done so since 1921.
