

## **RESOURCE FORESTER**

Located near the breathtaking Black Canyon National Park, Neiman Enterprises' Montrose Forest Products is a state-of-the-art manufacturing center of excellence with a need for a **RESOURCE FORESTER. SIGN-ON BONUS + RELOCATION ASSISTANCE**

We are looking for a skilled Resource Forester that wants to work with a great group of people in an environment where safety is top priority. If you are looking for an exciting opportunity to put your talents to use, apply today!

At Neiman Enterprises, we believe our employees are our most valuable asset. That said, we provide an excellent total compensation package including a Company truck, FREE health & dental plan, a generous 401(k) retirement plan, training opportunities, upward mobility, paid holidays, vacation, disability, life insurance, and much more.

### **Key Functions**

- Handle all resource concerns and supply the annual needs for the Montrose sawmill facility to operate.
- Initiate, operate, and complete contracts in a professional manner so that the interests of the Company are fully protected, with the right product produced economically.
- Develop and execute logging plans to facilitate sort, log quality, management of contractors and cash flow.
- Administer acquisition of federal, state, BLM and private timber sale contracts.
- Oversee and manage foresters, contractors, company operators and equipment in fulfilling contractual items.
- Appraise proposed timber sales, looking at quantity, quality, and operability.
- Manage log yard to ensure integrity of sample loads, rotation of decks, yard maintenance and transfer of logs, mill to mill.
- Stay current in your profession by taking advantage of training opportunities

### **Qualifications**

- This position requires a minimum of a Bachelor's Degree in Forest Management or a natural resource related field with at least 7 years of experience. Preferred candidate will have previous management or supervision experience. Starting salary will be commensurate with experience and qualifications.

**Apply Today!** Please send your resume via email to [john.herweh@neiman.com](mailto:john.herweh@neiman.com).

## **About Neiman Enterprises**

We are a fourth-generation family business dedicated to the environment and quality products. Our commitment to sustainable forestry not only ensures the long-term stability of our company, but also guarantees future resources through a cycle of renew-ability. We will continue to strive toward advances in renewable energy and value-added products to meet the demands of our markets while maintaining a healthy environment. Employees are the heart of our company, as we fully support knowledge, innovation, expression, and differences that make us stronger as a team.
