

At North Fork Lumber Company, we are committed to a safe and prosperous future for our team members and community. Delivering a quality product for our customers On Grade, On Size and On Time.

North Fork Lumber has an exciting new opportunity for a resource professional with a strong background in forestry to join our Timber Management Team. We are currently seeking to fill the position of Log Procurement Manager who will be responsible for log procurement and management for our log yard located in Willits, California.

The Log Procurement Manager will travel throughout the region to visit various landowners and view timber for sale, write and manage log purchase agreements and monitor log flow. This position will be responsible for all operations within the Willits log yard including managing log inventory, log quality, personnel and managing various site projects.

The ideal candidate would have minimum of 5 years of forest management experience, a California Registered Professional Forester (RPF) or the ability to take the RPF exam within two years. This experience includes knowledge of THP preparation and the California Forest Practice Rules, understanding of logging, road construction and reforestation operations and have strong planning and analytical skills.

This is a full-time salaried position with a comprehensive benefits package including the following:

- Competitive salary and bonus program
- 401K with 4% Guaranteed match
- Profit Sharing
- Medical and Dental Coverage
- Life Insurance
- Company paid cell phone
- Company vehicle
