

OSU Extension Service and College of Forestry

Now recruiting for two Assistant Professor of Practice positions:

- *Urban Forestry Extension Specialist*
- *Urban Forestry Outreach & Engagement Specialist*

Oregon State University is hiring two full-time urban forestry positions involving both Teaching and Extension Duties at the academic rank of Assistant Professor of Practice.

- The **Urban Forestry Extension Specialist** position will teach online courses in urban forestry and arboriculture and provide urban forestry programming and support throughout Oregon.
- The **Urban Forestry Outreach and Engagement Specialist** will teach online courses in urban forest management and green infrastructure and develop outreach and engagement strategies for urban forestry Extension programming throughout Oregon.

Both positions will involve mentoring students and scholarship and service to the profession.

Be part of our team

Make a meaningful difference in Oregon's communities. OSU Forestry & Natural Resources Extension is recruiting an energetic, creative, and collaborative individual committed to sustaining natural resources and strengthening communities and economies. Our team fosters and operates within a strong workplace culture of collaborative planning, group projects, and mutual support. We share a commitment to promote and enhance diversity and contribute to a welcoming, inclusive, and respectful work culture.

Have an impact

- Join an award-winning faculty in one of the most innovative online education programs in the US,
- Help students advance in their careers through teaching and mentorship in a one-of-a-kind professional certificate program,
- Provide rich and inclusive learning opportunities offered in formal and non-formal education settings throughout Oregon and across the world.
