

OSU Extension Service

Forestry & Natural Resources Program

We are hiring!

Extension Specialist in Christmas Tree Production

- Full-time tenure-track assistant or associate professor position
- Develop and deliver educational programs for existing and new growers
- Focus on your areas of specialization
- Interface with a wide variety of researchers, agencies, landowners, and specialists to foster a comprehensive program

Be part of our team...

Make a meaningful difference in Oregon's communities. OSU Forestry & Natural Resources Extension is recruiting an energetic, creative, and collaborative individual committed to sustaining natural resources and strengthening communities and economies. Our team fosters and operates within a strong workplace culture of collaborative planning, group projects, and mutual support. We share a commitment to promote and enhance diversity and contribute to a welcoming, inclusive, and respectful work culture.
