

## Senior Forester – Vaughn, Oregon

Founded in 1936, Roseburg Forest Products is a privately owned company and one of North America's leading producers of particleboard, medium density fiberboard and thermally fused laminates. Roseburg also manufactures softwood and hardwood plywood, lumber, LVL and I-joists. The company owns and sustainably manages more than 600,000 acres of timberland in Oregon, North Carolina and Virginia, as well as an export wood chip terminal facility in Coos Bay, Ore. Roseburg products are shipped throughout North America and the Pacific Rim. To learn more about the company please visit [www.Roseburg.com](http://www.Roseburg.com).

### Essential Responsibilities:

- Develop and execute silviculture programs that meet or exceed standards set by Roseburg and state regulations
- Assist in the development of budgets
- Negotiate contracts
- Assist in land transactions
- Represent the Company at various venues and provide leadership to district staff
- Activities include all aspects of plantation establishment, stand management, forest inventory, tree farm protection and other duties as may be assigned
- Management of assigned projects within budget objectives, ensuring that contract work is done in full compliance with specifications and supporting other staff as needed

### Minimum Qualifications:

- Bachelor's degree in Forest Management or a related Resource field
- More than five (5) years of related field experience
- Must have good communication skills
- Proficient in the use of current word processing and spreadsheet computer programs
- Ability to work at various times on steep slopes and in a wide range of adverse weather and field conditions
- Must be excited about growing trees!
