## OVERVIEW

Shanda Asset Management LLC manages 197,000 acres of diverse timberland in central Oregon. Timberland ownership stretches from NW of Bend, Oregon to north of Chiloquin, Oregon along the highway 97 corridor.

Shanda Asset Management LLC is looking to hire a forester. The forester will have primary responsibility for 164,000 acres of timberland from La Pine, Oregon south to Chiloquin, Oregon and report directly to the Executive Director of Timber Operations.

The ideal candidate will be involved in all aspects of timber resource management. The position will be approximately 80% field work and 20% office work.

This is a full-time position offering competitive compensation and a comprehensive benefits package as well as a work vehicle.

## RESPONSIBILITIES

Detailed responsibilities will include, but are not limited to:

- Harvest unit layout
- Timber sale administration
- Timber sale appraisal
- Timber cruising
- Contract negotiations
- Log sale accounting
- Quality control

## SKILLS AND ABILITIES

- Excellent PC skills using Microsoft products, forestry software tools
- Good working knowledge of GIS mapping functions
- Excellent written and oral skills
- Strong work ethic
- Maintain high professional standards and a dedication to continuous education
- Self-motivated with a willingness to be creative in performing job duties
- Excellent problem-solving skills in providing practical and effective solutions

## QUALIFICATIONS

Minimum experience: 2 years, 3-5 years preferred  
Bachelor's degree preferred; job experience considered
