

Sierra Pacific Industries

Sustainability & Safety Coordinator Forestry Division Anderson, CA

We are looking for a dedicated and passionate individual to become our **Sustainability & Forestry Safety Coordinator**. The successful candidate will work with staff on a company-wide basis to manage Company sustainability certifications and coordinate an effective Forestry Department Safety Program. This position will be based from our **Anderson, California** location (consideration may be given to another Company location).

ABOUT THE POSITION

- Manage certification programs and ensure compliance with the Sustainable Forestry Initiative (SFI) Forest Management, Fiber Sourcing and Chain of Custody, as well as Forest Stewardship Council (FSC) Chain of Custody standards for both Sierra Pacific Industries and SPI Windows Division
- Manage and coordinate a successful safety program for our Forestry team
- Develop, implement, monitor, and evaluate effectiveness of sustainability and safety initiatives, programs, and projects
- Effectively collaborate with various departments to integrate best sustainability and safety practices
- Conduct sustainability and safety assessments and audits to promote environmental awareness and education within the organization
- Organize and coordinate related projects, events, and activities
- Stay updated on latest sustainability and safety trends and best practices and provide engaging training both within and outside the Company
- Advocate for sustainability while developing solid partnerships within both the Company and the community

QUALIFICATIONS

- Bachelor's degree in Environmental Science, Sustainability, Forestry or a related field
- Minimum of 3 years of experience in a sustainability-related role
- Demonstrated understanding of environmental issues, sustainable practices and safety programs with the ability to work collaboratively with various partners to achieve desired outcomes
- Excellent project management and data analysis skills, while using critical thinking to effectively solve problems
- Strong communication and interpersonal skills with the ability to effectively promote sustainability and safety initiatives
- Proficiency in written communication skills and attention to details
- Extensive travel required at times

WHY JOIN OUR TEAM

Because this is more than an invitation, it's a commitment to offer opportunities for personal and professional growth to everyone! We ask people to grow with us and make the company even better.

In addition to paid vacation and 10 paid holidays, we provide an excellent benefit package including a **full Health Benefits Plan (including medical, dental, and vision) with low-cost premiums, a 401(k) with Company Match, additional Retirement Contributions**, and company-paid Life Insurance.
