

Position: Staff Forester
Location: West/Middle Tennessee
June 1, 2021

Tennessee Timber Consultants, LLC (www.tennesseetimber.com) is a professional consulting forestry firm specializing in managing forests for private landowners throughout Tennessee. As a Staff Forester with Tennessee Timber Consultants, you will have the challenging opportunity to practice field forestry in a variety of forest types. Responsibilities include management planning, timber inventory, silvicultural applications, timber sale administration, and client relations.

Duties and Responsibilities:

- Forest Management Planning: Ability to identify a client's ownership objectives, assess forest conditions at the stand level, and provide practical forest management recommendations.
- Inventory/Cruising: Field data collection utilizing variable and/or fixed-plot inventories.
- Timber Sale Administration: Implementation of timber sales including boundary marking and GPS, timber marking/cruising, and oversight of harvest operations.
- GIS: Ability to utilize GIS software including ArcGIS and QGIS.

Qualifications:

- Minimum of an Associate degree in forestry or related natural resources field of study.
- Previous experience preferred, but not required.
- Strong communication skills (both verbal and written).
- Capable of working long days, year-round in all weather conditions.
- Knowledge of hardwood and pine management systems.
- Knowledge of hardwood and pine inventory methodologies.
- Experience with MS Word and Excel, and GIS software.
- Applicant must also have the ability to establish a home office in the West or Middle Tennessee area.

Salary:

- Salary and other benefits will be based on experience and skills.

Application Process:

To apply for this position, please submit a cover letter and resume to:
