

WINDROCK

— LAND CO. —

ESTABLISHED 1872

Position: Field Supervisor/Consulting Forester

Location: Oliver Springs, TN

JOB SUMMARY:

A career with Windrock Land Company will challenge you to manage and care for more than 73,000 acres of Company-owned timber and work with private landowners through our consulting forestry business, Southeastern Forest Management.

DUTIES:

There are two main areas of focus; the management of Company timber and consulting forestry.

Windrock Land Company- 73,000 Acres

Windrock Land Company has been in business since 1872 and harvests approximately 4.5 million board feet of timber annually with logging contractors. The field supervisor will be responsible for overseeing the work of our forest technician and our Company forestry operations.

Southeastern Forest Management

Southeastern Forest Management is a subsidiary of Windrock Land Company and offers forestry consulting services to the private sector. These services include timber inventory and appraisals, timber sales, forest management plans, timber theft investigation, hunting lease administration, property line maintenance, mapping, and recreation advisement.

The forester is responsible for working with landowners to determine what is needed in order to accomplish their goals. This includes everything from the initial property inspection to the end of the project. Timber sales will include developing a timber cruise, mapping, cruising/marking the timber to be sold, timber sale notices, show

dates/bid openings, timber sale closing, harvest inspections, and follow-up inspections.

QUALIFICATIONS REQUIRED:

BS in forestry with a minimum of 3 years of experience. Experience with hardwood forest inventory, timber sale administration and other basic field forestry work is required. Experience with ArcGIS software, handheld GPS units and software (i.e. Garmin, DNR Garmin), as well as that ability to prepare documents and reports in Excel and Word is needed. Forestry consulting experience is preferred but is not required.

SALARY/BENEFITS:

Salary will be competitive and based on experience. Additional benefits are health insurance, 401k, paid vacation, paid holidays, and company vehicle.
